Public Comment Period and Meeting about Proposed Cleanup Plan for Former Sheller-Globe Facility

The U. S. Environmental Protection Agency (EPA) Region 7 invites the public to comment on the proposed cleanup plan for the former Sheller-Globe Facility in Keokuk, Iowa. The public comment period will start on **December 17, 2004 and end on January 18, 2005**. All written comments should be sent to:

**Shane Reed
EPA Region 7 ARTD/RCAP
901 N. 5th Street
Kansas City, Kansas 66101
(913) 551-7988
(800) 223-0425**

Also, EPA invites the public to a public meeting to learn more about the proposed cleanup plan. EPA representatives will be available to answer any questions about the proposal.

**Monday, January 10, 2005
From 6:30p.m. to 8p.m.
Keokuk Public Library, 210 N. 5th Street**

The proposal will address the cleanup of soil and groundwater contamination near the Chemical Mixing building, in underground tanks, and a former hazardous waste drum storage area. Portions of the site were contaminated from releases of chemicals used to produce rubber and foam rubber products.

You may review the proposed cleanup plan and other documents in the Administrative Record at the following locations:
